Dear Oregon Alumni,

Congratulations on the 20th anniversary of the Oregon Alumni Association e.V. We wish we could be there in person to celebrate with you.

Every year (for the last 42 years!), the universities in Oregon are enriched by the presence of exchange students from Baden-Württemberg. Across the Oregon University System, academic departments welcome students from Baden-Württemberg and value their contributions. A few exchange students stay on to complete degrees in Oregon each year, and all form friendships and make connections that often last a lifetime.

This is the time of year when we send out a call for applications for the "Marlene Klein Study in Germany" scholarship to Oregon students who plan to study in Baden-Württemberg in the fall. We are always mindful and appreciative of the generous contributions that you, the Oregon alumni, have made to help fund this scholarship, and we value the continuing support you offer to students from Oregon while they study in Baden-Württemberg. Thank you!

Once again, we offer our heartfelt congratulations to you all and raise our (virtual) glasses in a toast to many more years of collaboration and friendship between Baden-Württemberg and Oregon!

Yours sincerely,

Paul Primak
